

Private Land Closure Information

Check land closure information before attempting to access private property. Always communicate with landowners if you have questions regarding access protocols.

This is voluntary compilation of land closures provided by landowners to reduce fire starts during at risk conditions or to reduce illegal activities. Please contact landowners directly for more information regarding a specific area of interest. The following information does not constitute permission to enter private land, legally restrict access, or describe every area.

| Landowner | Location (County) | Contact Phone | Do I Need A Permit? | Is Motorized Access Permitted?* | Is Non-Motorized Access Permitted? | Are Landowner Closures In Effect? | Are State Fire Regulations In Effect? | Specific Instructions: |
